

KIPLANT COLURE

COMMERCIAL

0-5-20

GUARANTEED ANALYSIS

Available Phosphate (P ₂ O ₅).....	5.0%
Soluble Potash (K ₂ O)	20.0%
Zinc (Zn)	8.0%

Derived from:
Mono Potassium Phosphate; Potassium Sulfate and Zinc Oxide

ACTION

Kiplant Colure provides phosphorous, potassium and zinc to plants that are deficient. In addition, these nutrients together are important to supporting fruit development. Zinc also has a role in cellular division where it plays an essential part in cellular multiplication in leaves and stems.

DIRECTIONS FOR USE

Foliar

40 oz/acre (10 oz/25 gallons of water) in 2-3 applications; 45, 30 and 15 days before harvest.

Fertigation

3.5-4.5 lbs/acre in 2-3 applications; 45, 30 and 15 days before harvest.

Consult with your chemical distributor, consultant or registrant for crop specific programs or any other information you require.

WARNING

KEEP OUT OF REACH OF CHILDREN

Wear suitable gloves, protective clothing and eye/face protection. Do not swallow. Keep away from foods, drinks and animal feeding stuffs. In case of contact with eyes, rinse immediately with plenty of water. Wash hands after use.

COMPATIBILITY

Kiplant Colure is compatible with most fertilizers, insecticides, fungicides, herbicides, and nematicides. Use in accordance with recommendations of qualified individual or institution such as, but not limited to, a certain crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan. When tank mixing other products a "jar test" is recommended.

CONDITIONS OF SALE AND WARRANTY

The Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon Seller. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation, are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case shall Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by Seller and is accepted as such by the buyer. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of Seller's liability.
